## CB01 SERIES ●

Stackable chairs

## DESCRIPTION

CB01 is the all purpose chair. For optimization in collective environments, stackable chairs are an ideal solution to store and to optimize space. Training rooms, auditoriums, universities or conference areas. CB01 chair allows to incorporate complements that adjust to the different needs in each case, finding an effective and intelligent solution.

## METAL COLOUR 椅脚色板

BLACK 黑色 SILVER 银灰色

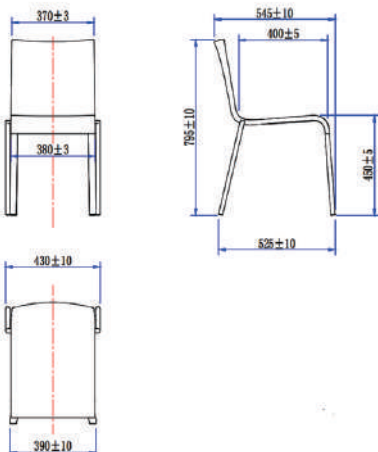

## PU COLOUR PU色板

BK 1807U 322U 2706 RAL8001 9093

## SIZES

**Total height:** from 795 mm **Seat height:** from 450 mm  
**Total width:** from 430 mm **Seat width:** from 370 mm  
**Total depth:** from 545 mm **Seat depth:** from 450 mm

- ① **Seat shell:** integral skin polyurethane foam. Shell with upholstered effect, self-supporting on a tubular steel frame. Flexible seat springs.

**座板:** 由弹性聚氨酯整体发泡制成, 内置铁架, 座板带弹簧钢

- ② **Base/stackability:** front and back legs in tubular steel, powder-coated. Stacking versions. Up to 10 chairs can be stacked on the floor, up to 20 chairs on a stacking trolley. Fitted with plastic glides for carpet and floors.

**脚架 / 可堆叠:** 前腿为 30x20x1.5mm 钢管, 后腿为  $\Phi 20 \times 1.5 \text{mm}$  钢管, 表面静电喷涂

## CB02 SERIES ●

PU integral (polyurethane) Back and Seat  
in different finishes.

## CB02 SERIES ●

### DESCRIPTION

The resilient seat shell, made of integral skin foam with embedded springs, is combined with a cantilever base that flexes slightly when the sitter leans back to provide an unexpected level of comfort.

## DESCRIPTION

CB02 is the all purpose chair. For optimization in collective environments, stackable chairs are an ideal solution to store and to optimize space. Training rooms, auditoriums, universities or conference areas. CB02 chair allows to incorporate complements that adjust to the different needs in each case, finding an effective and intelligent solution.

## SIZES

**Total height:** from 825 mm

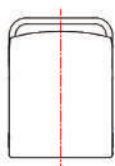

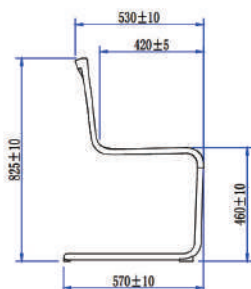

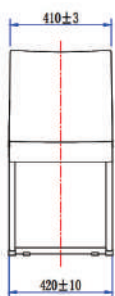

**Total width:** from 420 mm

**Total depth:** from 570mm

**Seat height:** from 460 mm

**Seat width:** from 410 mm

**Seat depth:** from 530 mm

- ① **Seat shell:** cantilever chair with seat shell made of integral skin polyurethane foam. Shell with upholstered effect, self-supporting on a tubular steel frame. Flexible seat and backrest with integrated leaf springs.

**座板:** 由弹性聚氨酯整体发泡制成, 内置铁架, 座板带弹簧钢

- ② **Base:** non-stacking base in tubular steel with powder-coated finish. Fitted with plastic glides for carpet and floors.

**脚架:** Φ25 管 2.0mm 厚圆管弓形架, 表面静电喷涂

## CB03 SERIES

**CB03** SERIES

## DESCRIPTION

The CB03 office chair is distinctly different in appearance from typical task chairs used in institutional office settings. Thanks to its ergonomic features, however, it remains comfortable even over long periods of sitting, and the unobtrusive design makes it a perfect choice for studios, home offices and informal office spaces.

## BASE/CASTORS/GLIDES 椅脚/脚轮/脚垫

Aluminum base ,  
black powder-coated

Fixed glides

## CB07 SERIES

A modern office chair with a grey seat and black base is positioned on a light-colored wooden floor. The chair has a five-point base with casters. To the left of the chair is a potted plant with large green leaves. To the right, a portion of a red chair and a wooden table leg are visible. On the wall behind the chair is a framed abstract painting with a greenish-grey square. The text "CB07 SERIES" is overlaid in an orange rounded rectangle with a small orange dot to its right.

**CB07** SERIES ●

## DESCRIPTION

The CB07 collection includes a wide range of chairs for various applications: modern seating for all types of public and private spaces, from residential to hospitality and catering. It is also at home in offices, auditoriums, conference or waiting rooms, and even educational institutions.

## OPTIONAL BASE 椅脚可选

**CB08 SERIES**

## DESCRIPTION

The flexible polyurethane foam shell yields gently to the user's weight and adapts to body contours to afford enjoyable sitting and provide comfortable flexibility for the back. A tilting mechanism ensures a smooth transition from the sitting upright to reclining position, while also permitting slight sideways movement. As a result, CB08 is exceptionally comfortable even if you want to sit for hours on end. Available with or without armrests.
